St. Peter and St. Julie Billiard Men’s Renewal

As we approach the start of 2010, we face many challenges. Pressures continue to mount on us from, war, tough economic conditions, illnesses, and often lack of time. No matter what your life has been like so far, God wants to put your feet on a new path...a better path...His path. His path promises joy and peace and purpose far beyond anything you could imagine. We invite you to join our journey with Christ. This journey we make with God, as Christians, has little to do with where we live on this earth or where we physically travel. It has everything to do with who we are.

Because it is a journey: our minds, our hearts, and our lives are always changing, are always growing, and are always spiritually developing. This journey with Christ, changes the kind of person you are, the way you think; the way you feel; and the way you look at everything.

A team of men from both parishes have been working for months to plan the Men’s Renewal for our parish cluster. Both Fr. Bob Franco and Fr. Richard Gonser are asking the men of our parishes to consider spending this time walking that journey with Christ.

This Renewal is designed to deepen ones faith, recharge your spiritual batteries, and be a time to get to know, as well as support, other men in our parish cluster. It provides an atmosphere for personal conversation, and individual spiritual growth and support. It is a process for building up a Christian community within the parishes themselves. It is a process for renewing parishioners.

Please complete the form below with the following necessary information to attend this Renewal. Please join us on this journey and return the invitation to the Information Coordinators listed below or drop it in your Church's collection basket. We wish to accommodate your needs so please call if you have any questions or concerns.
